COUNT ALL THE BARRELS!

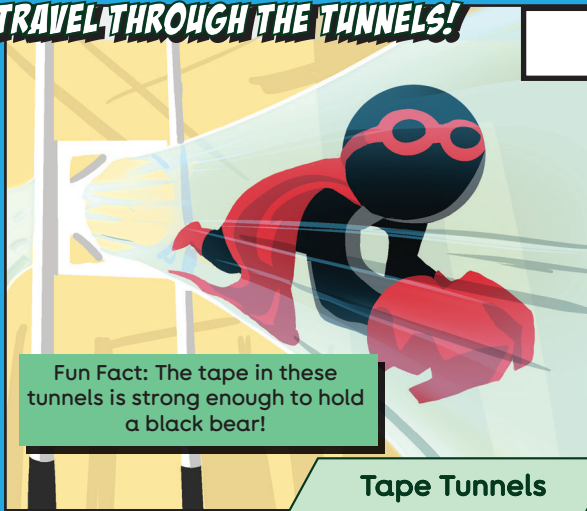

Fun Fact: The world uses 100 million barrels of oil per day!

Barrel Climb

Count all the barrels. Subtract the yellow ones, how many are left?

Think of someone you can count on when you need help.

TRAVEL THROUGH THE TUNNELS!

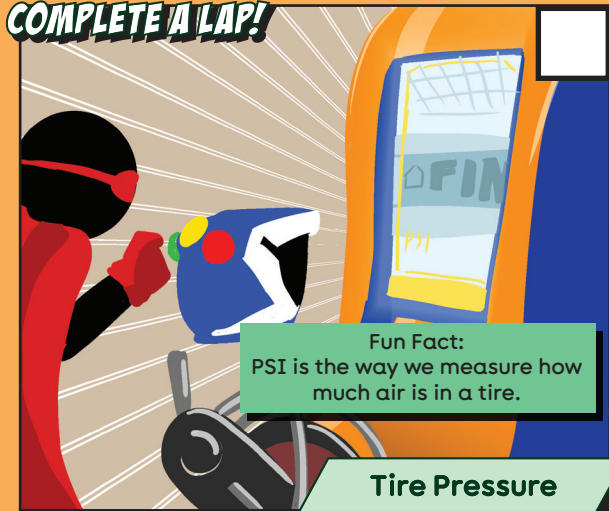

Fun Fact: The tape in these tunnels is strong enough to hold a black bear!

Tape Tunnels

How many tunnels can you find?

A team of people worked together to build these tunnels for you to enjoy.

COMPLETE A LAP!

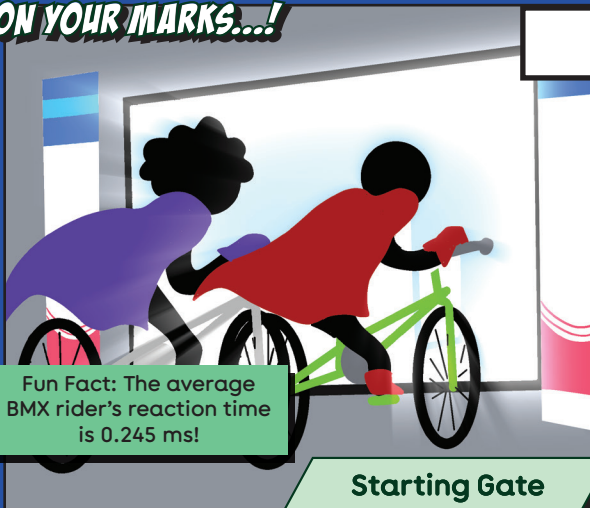

Fun Fact: PSI is the way we measure how much air is in a tire.

Tire Pressure

Try each PSI setting—only one gives the fastest lap. Which one is it?

Gratitude is like tire pressure—too little drags you down, just enough lifts you up.

ON YOUR MARKS....!

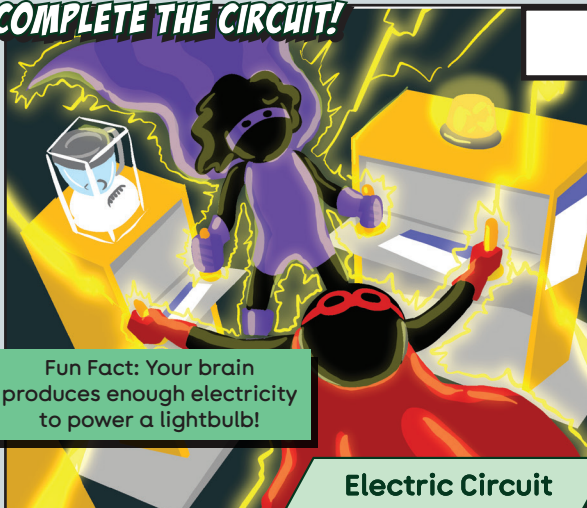

Fun Fact: The average BMX rider's reaction time is 0.245 ms!

Starting Gate

What are you testing at this station?

Share who taught you to ride a bike.

COMPLETE THE CIRCUIT!

Fun Fact: Your brain produces enough electricity to power a lightbulb!

Electric Circuit

What metal is helping you conduct electricity?

This only works with teamwork—how many devices can you power up together?

SHOOT THE TARGET!

Fun Fact: Water under high enough pressure can cut through stone!

Hydro Lab

Hit the target, watch what grows. What color is the flower?

Flowers grow with water. We grow with kindness. Who's helped you lately?

SEE HOW IT ALL CONNECTS!

Fun fact: The 75-ft Golden Driller is one of the tallest U.S. statues.

Ballapalooza

Each station moves the balls somewhere- which one sends them to the derrick?

Derricks lift oil. Generosity lifts people. How have you been generous lately?

SEE THE SOUNDS!

Fun fact: Sound makes the plate shake, and the sand moves into cool shapes!

Math Music

What was the first name of the German scientist that invented the Chladni plate?

Like sound waves, kindness and thanks resonate with those around us.
